Tap into something extraordinary with this exclusive two bedroom residence, architecturally designed by David Orlanski, director of DO Architects.

Luma Caulfield promises an elite standard of living at a coveted Melbourne address, with its own sense of style that elevates it well beyond standard residential fare.

Spanning three levels and with bespoke, precious metals headlining a long list of modern features, amenities and conveniences, Luma stands apart as a beacon of spacious, low-maintenance living in a most aspirational locale.

An incredible opportunity to purchase a 2 bedroom apartment in the heart of Caulfield.
