More than just stylish, more than spacious, this 2 bedroom apartment offers sensational sun, a sought after location ...and so much more. Comprising large courtyard or car space, this ground floor apartment is in a rendered and refurbished group, stretching out with an extra large west facing living with wide corner windows, adjacent dining and sophisticated black steel appliance kitchen.

With super-sized robe fitted bedrooms and a bonus study/home office opening to a secluded north facing outdoor area, this quality apartment is styled with a sleek designer bathroom plus a separate WC, floating floorboards throughout, roller blinds and quality light fittings and carpets.

Appointed with reverse cycle air conditioning and set to the rear of this auto gated intercom entry group, there's more here for smart starters and investors. Even the location has more - within a walk of Highett's booming shopping, cafe strip and station, Moorabbin's thriving retail and rail precinct and minutes to Southland and bayside beaches.
